Dear Bro. William Kamm,

Peace!

Bro. Glenn Talaue and Sis. Cecilia Bos presented to me personally the request of Our Lady Help of Christians Community regarding establishing one of the communities and/or houses of prayer dedicated to Saint Charbel in the Diocese of Antipolo. They presented the necessary documents regarding the history of the Congregation, by-laws or statutes and constitution of the community.

While you are looking for the possibility of exploring a land that can be utilized for your plan of establishing a community or a house of prayer, permission is hereby granted to your appeal to establish a community in our Diocese for a period of three years which is renewable.

Welcome to the Diocese of Antipolo! May God bless you always in your ministry. With deepest esteem and best wishes, I am

Devotedly yours in Christ,

+PROTACIO G. GUNGON, D.D.
Bishop of Antipolo
