Most Hon. President, Mr. Bush
Most Hon. Prime Minister, Mr. Blair
Most Hon. Prime Minister, Mr. Howard

Dear President & Prime Ministers,

I greet you in the Name of Jesus Christ Our Lord!

My name is William Kamm, known in the Catholic Church as the 'Little Pebble' – visionary. I know that I am under a heavy cloud, however, God does reveal much to me about world events and their Leaders. God is with you, however, the "Great Powers" behind the Powers are working to bring you down before the coming elections.

Please take note: the enemy is trying to bring a "blood bath" to Iraq so that you will not find the weapons of mass destruction.

Please consider what God is revealing to you. The weapons will be found. – see the attached map I am sending you: a triangle formed from the town of Tikrit towards the Iranian Border and just below Karbala and the Saudi Arabian Border. When I sent you the last map, the enemy within organised shifting of the weapons.

You must search all Mosques, School and official buildings. Also, go back to the tracks from the previous information that I sent you.

You will find the weapons before your next elections.

Wishing God's Blessings upon you.

William Kamm
(The 'Little Pebble')
